What It Is

The Excellent 80s Rewind is a weekly one-hour journey back to a specific week in the 1980s, hosted by Gary Teel. Each episode acts as a musical time capsule, featuring a trip up the charts from that week - complete with forgotten gems, near-hits, and era-defining classics. It's more than a countdown; it's a snapshot of the decade's pop culture, crafted with care and 80s know-how.

Segments Include

- * The Excellent 80s Rewind - A curated trip up the charts from a specific week
- * Deep Cuts & Lost Gems - Underrated songs that never broke the Top 40
- * The Top 3 - Wrapping up each show with the top three songs of the week

Why It Works

- * One-hour format fits easily into weekend or filler slots
- * Perfect blend of nostalgia and discovery for Gen X & 80s fans
- * Covers pop, rock, new wave, R&B, and more - as heard on 80s Top 40 radio
- * Hosted by a veteran broadcaster with deep knowledge of the decade
